Woman Is Killed Wrecks Reported On Local Highway

Entire Family Hurt When Car is Wrecked On Summit

Mrs. Alice Bascom, 53, Sacramento, was killed and several others were injured in a series of motor vehicle accidents in this district durmg the past week.

Mrs. Bascom was killed when a car driven by Thomas M. Mullins, 52, Sacramento, got out of control and ran off the highway near Cisco late Saturday night.

The dead woman's daughter, Marilyn Bascom, 31, was badly injured and was rushed to the Tahoe Forest Hospital by Truckee ambulance. Mullins was also taken to the hospital but his condition was not described as serious. State Patrolman Francis Dare of Colfax made the investigation.

Before going over the bank into the rocks, the Mullins car sideswiped one driven by Oscar Calder, 52, of Dixon.

Freak Mishap

Mrs. Rebel Godard, 49, Alhambra, was severely cut about the face and arms Friday evening at 5 o'clock, in a freak accident near Soda Springs. The injured woman was in a car driven by her daughter, Dorothy Godard and was traveling east and was meeting an Acme Transportation tank truck, driven by Jack Crum of Marysville when a piece of recapped tire from the truck's wheel flew off and crashed through the car's windshield, striking Mrs. Godard and severely lacerating her face.

She was taken to the Tahoe Forest Hospital by Truckee ambulance where she was treated by Dr. Ben King. Patrolman Martin Sturcke investigated.

Charged as Drunk

Emmett Gordon, Truckee, was charged with drunk driving by Patrolman Roy Stallard following an accident three miles south of Truckee on Highway 89 Friday. Gordon was injured and taken to the hospital after his car ran off the highway.

Four Injured

Four people were injured in a collison Saturday night at 10 o'clock near Soda Springs when a car driven by Harold Hammerquist, 29, Buhl, Idaho, attempted to pass a second vehicle on the crest of the road, according to the highway patrol, and forced the car operated by Gilbert Granter, 43, of Reno to leave the highway and strike a rock.

The vehicle rebounded onto the highway and upset. It was struck by a third car driven by Salvador Despoito, 32, Brooklyn, New York.

Injured in the Granter car were the driver, Donna Granter, 11, Jack Granter, 6, and Mrs. Ruth Granter. Following treatment at the Tahoe Forest Hospital, they were taken to Reno.

Driver Cited

Robert A. Rose, Truckee, driving a logging truck was cited for speeding by Patrolman Sturcke following an accident three miles south of Truckee on Highway 89 last Wednesday. Rose drove his truck off the highway after a car stopped in front of him. He was not injured.

Former Residents Of Truckee Return South

Mr. and Mrs. Gene Barton and children from Dallas, Texas, have been visiting here with the former's mother, Mrs. A. B. Polyanich and family. The Bartons formerly resided here where he operated a grocery store. He is now a pilot for one of the major airlines.

Mrs. Polyanich took the visitors by automobile to San Francisco today where they were to board a plane for home.

PTA Officials Will Meet At School On Monday

Mrs. Ray Hintz, president of the Truckee Elementary School Parents and Teachers Association has called a meeting of the official board of the organization for August 29, to be held in the edifice at 7:30 o'clock. Plans for the year's objective and programs will be outlined at that time.

Speedboat Races At Donner Sept. 11

Operators of the Northern California Outboard Motor Boat Association will conduct a series of races at the west end of Donner Lake Sunday, September 11, the event being sponsored by the Truckee Chamber of Commerce.

Some of the fastest outboard boats in the state will be competing for awards provided by the association.

The events will start at noon Sunday.

Blood Deposit Will Be Made Locally; 54 Pints Required

Preparations are being made for another blood deposit to replenish the fast diminishing bank maintained by the Tahoe Forest Hospital.

Administrator John J. McGlade this week announced that the mobile unit from the Washoe Medical Center will be at the hospital from 2:30 to 7 p.m. Wednesday, August 31, and longer if necessary, to secure at least 54 pints of blood vitally needed.

Assisting in the preparations are members of the various service clubs, women's clubs and other organizations in the district.

Anyone wishing to assist in this vital drive is urged to contact the hospital immediately and secure an appointment or be at the hospital during the designated hours.

"We cannot overstress the importance of keeping our blood bank amply filled," McGlade declared. "The ability to pro cure blood at quick notice is a real saver of lives and we urge everyone qualified to assist us next Wednesday.

26-Cent Increase In County Taxes

A 26-cent increase in the Nevada County basic tax rate will be required to raise the $4,134,487.19 approved as the total budget for the 1955-56 fiscal year by the board of supervisors Monday.

The total budget is slightly lower than last year's figure, but delinquent taxes have taken a jump from 5 to 10 per cent, giving the county the dubious honor of having the highest delinquency rate in the state. The greatest portion of this is due to the delinquency by the mines in the western end of the county being behind on their taxes.

Last year's basic rate set by the board was $2.07, plus 13 cents for junior colleges and this year the rate is $2.30 plus 16 cents for junior colleges, making a total of $2.46 as compared to $2.20 last year.

Broken down the budget shows the following tax figures: general fund, $1.67; salary fund, 44 cents; veterans' buildings, 2 cents and general reserve, 17 cents.

Added to the $2.46 basic tax, local taxpayers will be faced with more than double this amount when they pay on the various districts, including schools, fire district, hospital district, sanitary district, cemetery district and other items which will be announced later.

Drivers Escape When Car, Truck Collide

Fortunately no one was hurt at 5:20 a.m. today when a car driven by Royden E. McKinnon, 26 of Sacramento, and a truck operated by Edward J. Edwards, 46 of Cedar Ridge, collided west of Norden. McKinnon has been visitng here with relatives and was en route to fish when he met the truck on a curve. The truck driver was cited for making an unsafe pass. The car was badly damaged.

Patrolman Martin Sturcke made the investigation.

Hike Features Outing Of Girl Scout Troop

A hike of two miles along the Rubicon trail started the Tuesday all-day outing of the Donner Troop of Girls Scouts held at Bliss Park, Lake Tahoe. After a cook-out lunch, a tour was made of the Vikingsholm buildings and grounds. Points of interests passed during the day were explained by the park naturalist, Charles Stuart.

Fourteen girls, accompanied by Mesdames A. Close, Dave Rose, Frank Giovannoni made the trip which completed the summer program.

NEW CHEVROLET

Mr. and Mrs. William Englehart, Jr., are the proud owners of a new Chevrolet which they purchased last week from Reynolds Motor Company at Gateway Park.

Board Postpones Action On Second Deputy For Area

Indications Favor Approval At Regular Meet On September 1

Although the Nevada County Board of Supervisors tabled until their regular September 1 meeting, the request for an additional deputy sheriff to serve the eastern portion of the county, it was strongly indicated that favorable action will be taken at that time.

Headed by Hal Welch, president of the Truckee Chamber of Commerce, a small delegation from Truckee attended the meeting Monday when the request was made. The plan is strongly supported by Supervisors H. G. Loehr, District Attorney Vernon Stoll and Sheriff Wayne Brown.

Those who attended Monday's session with Welch were Constable N. F. Dolley, Wiilliam Carver, Truckee attorney and Charles R. Heller, president of the Truckee Public Utility District.

The most opposition to the proposal came from Supervisor Curtis Clark of Nevada City. Clark pointed to the fact that the 26-cent tax increase this year would keep him from voting any additional expense.

Suggests Incorporation

The board chairman, John Frank, suggested that the law enforcement problem here might best be served through incorporation. Welch said that such a move was being studied and implied that until that time at least, the region should be served by more than one night deputy.

The absence of Supervisor Guy Robinson kept the board from voting at Monday's session. Welch said, however, that the plan seemed to have the approval of the majority of the board members and expressed hope that the visit was a profitable one.

Figures were presented to show the growing need for more law enforcement here, with Loehr supporting the request.

LAST RITES FRIDAY FOR W. A. SIMMONDS WHO DIED TUESDAY

TAHOE CITY — Funeral services will be held at Fallon, Nev., tomorrow for William A. Simmonds, 91, for many years gate keeper at Tahoe City for the Truckee Carson Irrigation District, who died Tuesday at Auburn.

Simmonds retired in 1949 when he was 85 years old, after having served his post since 1927. He had been in failing health for some time.

Among his survivors are a stepson, Arthur Frodenberg of Tahoe City, also a TCID employe.

Other survivors include his widow, Mrs. Ida S. Simmonds of Tahoe City; two daughters, Mrs. Mabel A. Hartley of Oaknald and Mrs. Ethel M. Hancock of Reno; two sons, Roy H. of Folsom and Gordon Simmonds.

The deceased was a native of Ramsbate, England, born July 1, 1864 and he came to the United States at the age of 10.

The funeral services will be private.

Work Progresses On New Hospital Patients' Patio

Work is nearing completion on the new patients' patio at the Tahoe Forest Hospital, made possible through donations for the purpose and work by hospital employes and local prisoners.

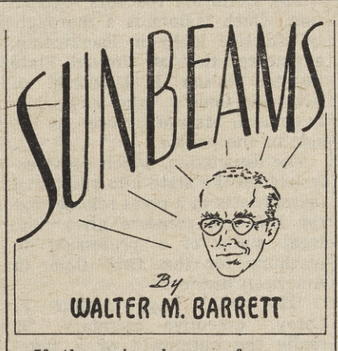
Administrator John J. McGlade said the final planting will be completed early next spring, when the shrubs and plants will be placed in the ground. Building of th picket fence to enclose the patio was completed this week and the garden offers an attractive appearance.

McGlade said plans for seeding and landscaping the huge front yard at the hospital are being contemplated and it is hoped to have that work done in the near future.

Official Visits—

District Attorney Vernon Stoll was an official visitor in Truckee yesterday.

SUNBEAMS



By WALTER M. BARRETT

If those in charge of arrangements for the 1960 Winter Olympic games have gained the impression that it is better to limit the attendance than it is to provide ample facilities for all those wishing to attend, we sincerely hope they change their attitude—at least until later, say 1959 or so. It just appears to us that this trend of limiting things this early—even before committees are named—is not progressive thinking. We may not be able to entertain all those who wish to attend, but before we start putting limits, we should gather our forces and do what we can to provide for as many as possible, and then when the time comes, discuss any restrictions necessary on travel, parking, housing and the thousands of other details which must be considered. It's going to be a big job, one which will require concerted effort, money and time, but we believe that in the allotted time, if everyone responsible for the various requirements exercises every available means, we can succeed beyond the point that initial planners seem to have set as a goal.

* * *

Recurring accidents on our highways, most of them preventable, leads us to once more issue a warning. Don't take chances. When in doubt, give the other driver the benefit as he may be one of those fellows who is willing to risk his neck and the life of others, just to show you he is boss of the road. Speeding, passing on crests of grades, passing without sufficient clearance and above all failure to yield the right of way will sooner or later get you in dutch. So watch your step.

County Coffers Swelled As Result Of Truckee District Court Fines

Fines and fees collected in the Truckee Judicial District Court by Judge F. W. Wilson swelled the Nevada County treasury by $2,881.50, during the month of August.

Of the total the major portion came from traffic violators, with civil fees totaling $12.50 and $168.50 being collected for the driver's education tax.

Annual Wyethia Tea To Be Held Tomorrow At Firpo Home In Gateway

Mrs. Charles Heller, who is assisted by Mrs. Thelma Norris as general chairman of the Wyethia Club's annual silver tea to be held tomorrow afternoon in the garden of the Nace Firpo home at Gateway Park, recently named her committees for the occasion. Mesdames Heller, Firpo, Fred Pedley, Robert Bick will be in the receiving line and hostesses are Mesdames Eugene Welch, Ray McCarty, Elizabeth Bavier, George Kamp, Carroll Maynard.

Mrs. Charles B. White and Mrs. Tony Polyanich will pour. Mrs. Annie Tonini, Mrs. William Carver and Mrs. William Englehart compose the serving committee.

The attractively appointed table, will have a centerpiece of flowers, complementing the silver service.

Members of the club with their guests will be received between the hours of 2and 4 o'clock.

FUGITIVE CAUGHT

PLACERVILLE — Robert Edward Poole, 25, wanted in Mansville, Ark., in connection with an armed robbery committed early in July, was arrested by a federal bureau of investigation agent at Meeks Bay, Lake Tahoe.

In San Francisco—

Jack Neugebauer was in San Francisco this week booking the latest pictures for the Donner Theater in Truckee and the Tahoe and Brockway Theaters at Kings Beach.

Travel Sets New Record; Truckee Second In State

Over 80,000 Vehicles Are Checked Here Going Into State

With the exception of Yermo in southern California, nearly twice as many vehicles were checked through the Truckee state department of agriculture station as any of the other 17 stations of California's borders during the month of July.

It is believed that a new all-time record for travel was established here when 79,130 cars, 3474 trucks and 863 buses, carrying 264,661 passengers, were checked at the local station.

This total represented an increase of 28,000 cars over the June total and was nearly 9000 more than July, 1954.

As an indication of the steady travel increase over U. S. Highway 40, the monthly report from the department of agriculture shows that the July 1954 figure of 70,559 was more than 5000 over the same month for July, 1953.

Figures recorded do not include local vehicles nor those traveling east, which would more than double the recorded figure to give a fair estimate of the number of vehicles traveling over the two lanes which make up U. S. Highway 40.

At Meyers on U. S. 50, a gain over last year was shown when 28,025 cars, 296 trucks and 43 buses, with a total passenger count of 83,658, were counted.

Yermo, with its 90,507 cars and 268,670 passengers, was the most frequented station on California's borders.

SENATOR JOHNSON TALKS ON OLYMPICS AT DONNER MEETING

Speaking before a joint meeting of the Lions and Rotary Clubs at Donner Lake Lodge Monday night, State Senator Harold T. Johnson of Roseville discussed his opinions on what the forthcoming 1960 Winter Olympics would entail from a standpoint of facilities, traffic, parking and attendance.

He declared that without doubt facilities as proposed will not handle the attendance expected and that limits may be placed on the number of vehicles permitted in the area. He said that Gov. Goodwin J. Knight has ordered a survey of highway and parking facilities, a program already started by the division of highways.

Although the four-laning of U. S. Highway 40 will be completed in 15 years, it cannot be expected to provide for the thousands of vehicles which may be driven into the area by 1960. He did not predict what steps would be taken locally in increasing the travel and parking facilities. Parking areas, he said, must be studied and shuttle bus service provided.

James Doabs, president of the Placer County Chamber of Commerce, also spoke on the chamber's efforts to provide the four-laning of Highway 40.

The speakers were introduced by Program Chairman James Sherritt of the Rotary Club. President Rex Thomas presided.

Lt. Col. Colin Campbell Commanding In France

Lt.-Col. Colin C. Campbell, with Mrs. Campbell appeared in a picture in The Advance, a paper of the U. S. Army published at Verdun, France.

Lt.-Col. Campbell is commanding officer of his outfit at Sampigny and the couple were shown greeting a high ranking French officer. The former local man wrote that they have been traveling extensively through Europe, during his assignment overseas.

BOARD MEETS

The governing board of the Truckee Public Utility District met this morning at 9 o'clock in the first of their changed meeting dates. In the future they will meet on the first and last Thursray of the month at 9 a.m.

Mr. N. S. McCrary and Mrs. A. L. Davidson of Roseville visited relatives last week.

Sportsmen To Plan For Buck Stew At Meet September 1st

Plans for the annual buck stew sponsored by the Truckee Outdoor Sportsmen will be initiated at a meeting of that organization to be held Thursday, September 1 at 7:30 p.m. at Capitol Hall.

At the meeting, Vice President Charles Osburn, who will preside for President Jack Waggoner, is expected to name committees to proceed with the programming of the event, one of the highlights in the year's activities of the club.

Osburn said this week that there will be little change in the usual course of the program, with everyone being invited to participate free of any charge. Usually the stew attracts nearly 1000 people. It will be held at Capitol Hall but the exact date, expected to be early in October, will not be set until next Thursday's meeting.

On the program next Thursday will be pictures of the recent family outing to Rock Bound taken by Clarence Osburn. Osburn secured some excellent photos of the trip and the program promises to be amusing as well as interesting.

Osburn Brothers Get Civic Awards

The Osburn brothers, Clarence and Charles, were honored at the Donner Lake meeting of the 20-30 Club on Saturday night as the outstanding citizens of 1954-1955.

Clarence Osburn was notified of the award for his work with the Boy Scouts while a patient in the hospital last year.

Charles Osburn was given the current honor for his indefatigible work as president of the Truckee Outdoor Sportsmen.

James Morhain, president of the organization presented them with their cups and the announcement that their names will appear on the club's scroll. Chet Burns was also given his past president's pin prior to the delicious dinner, the entree being barbecued steaks.

Clarence Osburn owns and operates the Buick Garage here and his brother, Charles, operates Osburn's Associated Station.

Daryl Gaiennies Leave For East Coast Position

Mr. and Mrs. Daryl Gaiennie and children will leave Tarkio, Missouri for Fall River, Mass., on August 29 where Gaiennie will assume the promotion as distributing engineer for the Fall River Electric Company.

The former local couple left here several years ago when he attained a promotion with Stone and Webster and is remaining with the corporation in his new location.

Mr. and Mrs. Frank Gaiennie are his parents.

Eastern Star Members Fly To Bay Reception

Seven members of Truckee Chapter, No. 116, Order of the Eastern Star went by airplane Tuesday evening to attend a reception for Everett L. Moore, given by West Gate Chapter of the Eastern Star at Berkeley. The honoree has visited the local lodge in an official capacity and is a summer resident of Lake Tahoe.

Those who made the trip and returned Wednesday morning are: Mr. and Mrs. Dan Anderson of Tahoe Vista, Mr. and Mrs. C. E. Mandeville of Kings Beach and Mrs. Ray Hintz and Mr. and Mrs. Wayne Philippi of Truckee.

Mr. and Mrs. Ingwersen have left Truckee to live in Sacramento. He had been employed by the Truckee Lumber Company.

Enlists in Service—

A recent enlistee in the U. S. Navy was David M. Germaine, 19 years old whose home was at Floriston.

Buy for Heller's—

Mr. and Mrs. Charles Heller returned Mondaly from a buying trip in San Francisco and the bay district.

Personnel Named As Schools Ready To Open Sept. 6th

Teachers Engaged In Work Shop In Preparation For Opening

All of the schools of the Tahoe-Truckee Unified School District will begin the fall season on Tuesday, September 6.

The bus schedules will be essentially the same as they were last year.

The seventh annual workshop for employes of the school district will be held from August 29 to September 2. The highlight of the workshop will be a discussion of the oral and written English program from kindergarten through twelfth grades. The discussion will be led by Dr. Henry Bamman of the Sacramento State College.

Dr. Bamman will also be the instructor of a course in oral and written in English which will be held throughout the 1955-1956 school year.

The employes of the school district for the ensuing year will be as follows:

Teaching, Administrative

Everett V. O'Rourke, superintendent and high school principal.

Donner Trail

William Carriso, principal and teacher.

Kings Beach

Raymond Bisio, principal and teacher; Elrose Knudsen and Mrs. Otis Wing, teachers.

Tahoe Lake

Mrs. Ruth Roberson, principal and teacher; Geraldine Bean and Mrs. Lillian Farr, teachers.

Truckee Elementary

Lynn Kishbaugh, principal and 6th grade teacher; Hugh Smith, 5th; Mrs. Robert Roth, 4th; Mrs. George Tiffee, 3rd; Mrs. Ed Trask, 2nd; Mrs. Ruth Croxen, 1st; Mrs. Agnes Jean Manetta, kindergarten.

High School

Conrad Briner, vice principal; Thelma Finger, dean of girls, core 9 and testing; George Boyle, industrial arts and mechanical drawing; James Brehler, boys' athletic director; Mrs. Rowena Cincotta, core 8; Norman Dewhurst, science and math; Mrs. Matiloe di Suvero, core 11; Spanish and French; Daniel Holub, core 10, driver training; Miss Barbara Kemp, business machines, typing, bookkeeping; Robert Madge, arts and crafts; Charles Pemberton, science and math; James Pringle, music; Miss Betty Lou Raker, girls' physical education; Frank Ratliff, core 12, drama and math; Mrs. Betty Jo Smith, homemaking.

Substitute Teachers

Mrs. Hugh Smith, Truckee; Mrs. Naomie McLain, Tahoe Pines and Mrs. Solveig Beavers, Tahoe City.

Library Staff

Roy Baker, librarian; Mrs. Bonnie Costa, assistant.

Health Staff

Mrs. Charlotte Patnoude, public health nurse.

Office Staff

Mrs. Dorothy Stice, G. Russell York, Mrs. Helen Armstrong.

Bus Drivers

Harry Eaton, supervisor; Erv Waters, Carl Christainsen, Glen Parsons, Velda Parsons, Robert Beaverson, Lorrin Ferdinand and Charles Moore.

Custodians

Jacob R. Stuart, maintenance engineer; Elwood Buehler, Melvin Throop, Glen Parsons, Harry Savage, Jack Miller, George Tiffee.

Cooks

Mrs. Stanley Zwarg, high school; Mrs. Muriel Frey, Truckee elementary; Mrs. Minnie Wagner, Kings Beach; Mrs. Helen Peterson, Donner Trail; Mrs. Melvin Throop, substitute. No cook at Tahoe Lake school had been listed.

Nelson Stones Parents Of New Son At Hospital

Daniel Edward was welcomed into the family of Mr. and Mrs. Nelson Stone on Saturday, August 20 at Tahoe Forest Hospital. The newcomer, who weighed 6 pounds, 9 ounces on arrival is the fourth child of the Stones.

Dr. L. D. Nelson was the attending physician.

DOG TRY-OUTS

Owners of Labrador, Chesapeakes, Goldens and Irish Water spaniels are invited to enter their dogs in the pre-hunting season practice picnic trial for retrievers at Boca reservoir Sunday at 10 a.m. Details may be obtained from Erv Single, Truckee game warden.

Football Practice Starts On Monday

All high school boys who plan to play football are asked to assemble at the Tahoe-Truckee High School at 3 p.m., Monday, August 29 for the first practice of the season.

Coach Jim Brehler will be on hand to put the teams through their first tryouts.

AFFAIRS OF STATE
by Henry C. MacArthur

SACRAMENTO (CNS) — It is quite possible that some day, people are going to wake up and find out how much of the freedoms upon which the country is based, has been taken away from them, through the medium of special interests, lobbyists, and groups of favored government employes.

One of the latest straws in the wind, and these straws blown together can make quite a heap of hay, is the writing into state law of a special privilege to teachers of California. This new law, which goes into effect next month, provides that the "findings" of a panel of educators, composed of representatives of a state-wide professional educational association, may be accepted as court evidence in a contested teacher dismissal case involving competency or fitness."

The California Teachers Association, which maintains a thoroughly effective lobby in Sacramento, engineered this law through State Senator Nelson P. Dilworth, of Riverside County, who surprisingly enough, has usually been on the side of the people.

The association, which previously lobbied the state into additional taxes, boasts in a press release that the Dilworth measure gives "the legal status of a profession to teaching for the first time in American history."

"The bill," says Arthur F. Corey, executive secretary, "is really the outgrowth of a number of years of experimentation by the CTA in a plan to cloak the teaching profession in California with self-disciplinary authority similar to that in the legal and medical professions."

It is somewhat surprising to hear that teaching hasn't been a profession as it always has been considered as one of the most outstanding, and valuable occupations, for certainly those who are entrusted with the future of the country through its youth are entitled to be of professional standing.

Yet the normal concept of the schools, or at least what has been a normal concept until the CTA started taking over, is that the schools are the property of the people, who elect district management such as boards of trustees and boards of education. These boards theoretically are responsible to the people as their elected representatives, or appointed representatives, the appointments coming from higher governmental agencies which are elected.

Thus, the Dilworth bill appears to be a move to take the decision out of the hands of the people, and lodge it in the California Teachers Association. In other words, the tenure-protected teacher has one more count on his behalf when and if the board finds him incompetent, and desires his replacement.

Certainly, a board of education or board of trustees should know whether a teacher is competent, or is not competent, without finding it necessary to fight in court a finding of a "panel of educators" appointed from the California Teachers Association, who may be colleagues of the very teacher on trial.

Long ago, the board was divested of its authority to release a tenure teacher without a trial. Thus the teachers have privileges which are not accorded to people who happen to be employed in private business or industry.

It begins to look like that in the future, with a few more steps like the Dilworth bill, that there will be no vestigate of authority left for the representatives of the people.

An estimated 5,400,000 people utilized the recreational facilities of California's national forests in 1953.

The minimum seasonal runoff of water in California was in 1923-1924, a total of 18,300,000 acre feet.

It has been estimated a total of 400 wild boars live in California's national forests.

NORTH TAHOE

By JUDGE HARRY CHARRISON

Building

Well it looks as though Paul and Mrs. McMillen of Kings Beach Liquor Store will soon be in business in the new building that workmen have been working on so feverishly the past week. It is a cement block building and is right next door to their present location. It would seem that contractors are out to break records in putting up a building. Great strides are also being made with the Stop 'n Shop building.

Welcome

Did you ever notice what little chance our visitors have of using our beautiful lake or beaches? In lots of cases they go down to see what the sand feels like and before they know it they are chased off by some of our resort owners, who feel they own the lake front. If we want to entice visitors here, give them all we have to make them welcome and their stay enjoyable.

Storms

When one reads the news items and listens to the news reports, it is hard to believe that there is such a thing as twisters, a hurricane and terrific floods. We should be mighty thankful for the beautiful part of the country in which we live.

Visiting

Mr. and Mrs. Meyers are up with their two sons, Stewart and Ronald. They are living at the home of the John O'Connors on Brassie avenue.

An More

The Harvey Klitzkess have as their visitors Harvey's mother, and dad, and young Harvey the third is also having the time of his life, just six years old. Too bad Harvey it's nearly school time and you will have to go home.

Accident

Very sorry to hear of the passing of E. J. Stokes' father at quite a good age of 92. The funeral was held in San Francisco last Friday, and then on the way home E. J. and Mrs. Stokes had a bad accident. The car I hear was just about demolished, but they were very lucky to come off with a bad shaking up. Mrs. Stokes says they sure have something to be thankful for, and we are thankful too.

Maybe

Well, it looks as though we might get an office and living quarters for the sheriff's personnel. The building inspecter and the assessors, and it looks like Tahoe City, little by little is advancing. We hope it will be a sub-station next, and how we need it. Crime seems to be on the upgrade all the time. The officers even though we have an addition, have been kept on the jump continuously day and night.

Church Going

It is a good sign when people attend church. Father O'Neill was telling me that the Catholic churches of Truckee, Tahoe City and Kings Beach, are over-crowded every Sunday. That is indeed, good.

Troubles

Yes, trouble is our business, a few of the highlights of the past week were as follows: A complaint was made against Mrs. E. E. Hills of Brockway, on a charge of assault. Upon appearing in court, Mrs. Hills pleaded not guilty, and a trial date was set for August 30 at 10 a.m. Bail was set at $200. Frank Erickson presently at the White House, Carnelian Bay, was charged with disturbing the peace and was fined $25. R. J. Tacker a visitor at Mallas Resort, Kings Beach, is also on bail in the amount of $200 charged with disturbing the peace. A civil case involving Harold M. Feakins vs. Robert Scates of Tahoe City will be heard on August 31. This involves the killing of a horse and damage to an automobile. A cross complaint was filed. A complaint was signed by Helena Berlin against Mike M. Berlin of Reno who allegedly came to her home to beat her up. Now add about 50 traffic citations and it brings the court activities up to a pretty good week. Of course you heard the White House at Carnelian Bay was robbed of something like $600, and a Buick sedan. Couple these with a few other burglaries and its no wonder we are getting more law enforcement officers in our district, thanks to Bill Scott, sheriff of Placer County and the cooperation of the board of supervisors.

Fire

Yet another fire! This time at a two-story house at Crystal Bay, belonging to Cal-Neva Lodge, and used for the employes. The alarm was set at 8:30 p.m. Saturday evening and the local fireman were there for nearly 12 hours. It is thought there might have been a fire started in the fireplace, and got out of control. The loss could be estimated at around $20,000. The firemen again did a swell job in preventing a very dangerous spread. These boys are to be complimented. Lots of people say there's another home gone, but we don't all realize the excellent work might have saved your home from going up in smoke as well as many acres of valuable forest and maybe lives. Thanks a lot, boys.

Natal Day

Now I am told that Marguerite Ashton had a birthday, which was celebrated at a square dance at the Carpenters Hall with two cakes and liquid, and about 24 or more attended. Happy birthday Marguerite.

Church

Almost 90 per cent of the congregation at the outdoor service of the Community Methodist Church at Kings Beach, were out-of-towners and they enjoyed a very beautiful service. Rev. Robert Moon, pastor of the First Methodist Church of San Leandro, preached the sermon— and yet it was not a sermon—it was a beautiful story which I am sure touched the hearts of all present. It was pointed out that the choir practices every Friday night from 8 to 10 p.m. Won't you come and help out, especially during the summer when the local people are so busy? On September 4, Rev. Covher will return to the pulpit and September 7 to 14 will be clean-up week for the financial campaign for youth recreation and christian education. Anyway come to church every Sunday, won't you?

Will Be Back

Art and Mrs. Mueler, nursery people from Pasadena, were up staying with the Ashtons. Art has asthma trouble but is so much better here. So, says Art, we are going back to sell out and return as soon as possible.

TIPS TO KOREA VETERAN STUDENTS

County Veterans Service Officer John T. Trauner, has listed seven pointers for veterans planning their first enrollment in schools and colleges this fall with Korea GI Bill assistance.

"Remember first," he says "that not only the school but the course you are taking must be approved by the Veterans Administration, if you are to receive your allowance check at all.

"Second, be sure you know what profession you want to train for. If in doubt as to your abilities and preferences, apply early for counseling—even before school begins. Remember, you are allowed only one change of program after you start.

"Third, when listing your professional and scholastic goals on the VA application form, give yourself plenty of head room, in case you should decide to extend your studies beyond your original plans.

"Fourth, be sure you have been admitted to the school of your choice before you turn your application form in to the VA. Then shoot your application to the VA in a hurry. Be sure, of course, that it's completely and correctly filled in. Otherwise you are courting delay.

"Fifth, A photostatic or certified copy of your discharge must accompany your application.

"Sixth, Send along a copy of your marriage certificate if you claim a wife as a dependent, and a photostatic birth certificate for each child.

"Seventh, Set aside enough money to tide you over the first two months of school. It usually takes that long for the first subsistence check to arrive—after you and the school have joined in certifying the first month's attendance."

Assistance and further information about these details are available from the county service office, 255 South Auburn street, Grass Valley.

GOV. KNIGHT EXPLAINS STAND ON PARKS AS PRESSURE FROM LEGISTAORS DEMANDS PROJECTS; BLISS STATE PARK IS CITED

by HENRY C. MacARTHUR
(Captol News Service)

SACRAMENTO (CNS)—Apparently, Gov. Goodwin J. Knight is experiencing the heat from more than one section of the state because of his veto of Senate Bill 1729, which in its final form, appropriated $15,932,500 for the acquisition of a series of state beaches and parks.

The governor found it necessary to make a public announcement regarding the veto, and explain his prerogatives under the law.

"The claim has been widely circulated," he said, "that if I had not liked some of the items, I could have eliminated them from the bill and signed it anyway. This is not the case."

He explained further that the measure contained a single appropriation, as required under the constitution, and that he had the power to either reduce or eliminate the total amount.

No Power to Choose

"I had no power to choose between the several projects listed," the governor said, "and if any portion of the total appropriation had been approved, all projects—desirable or otherwise — would have been entitled to a proportionate share of the money available."

The governor then went on to say that his administration, through the state division of beaches and parks, plans to present an orderly comprehensive program of recreational development to the 1956 budget session of the legislature.

Senators and assemblymen from the inland regions of California, however, are apt to be somewhat suspicious of any program submitted by the state division of beaches and parks, which in the past has centered its development in the redwoods, the Sierra, and along the beaches of California, thereby over-looking the need for recreational faciilties, and the possibilities in Central California, both in the Sacramento and San Joaquin valleys.

The measure the governor vetoed, therefore, resulted primarily from the fact that a lot of senators and assemblymen have lost faith in the ability of the division of beaches and parks, and the state park commission to give the state a well-rounded system of parks to provide for the normal recreation pursuits of the people.

'Heads in Clouds'

And while the division makes plans," with their heads in the clouds," as one legislator who does not wish to be quoted described it, there is every indication that some of the choicer spots are falling into the hands of exploiters, and will be removed from the people of the state.

In addition, many legislators are disposed to believe that the division is behind the times in developing the already acquired facilities for the use of the public, considering the thousands of people who annually are turned away from state park campgrounds on the theory that there is "no room" to camp.

Cites Bliss Park

There are, for instance 118 camp units at D. L. Bliss State Park on Lake Tahoe, but the park consists of more than 900 acres of land, which the state park commission is keeping "in its natural state." Perhaps keeping areas in their natural state is a good idea, but with the increasing population of California, and the increased demand for recreational facilities, it would appear that at least the choicer spots could be made available to the people who pay the taxes to support the state park system.

At San Mateo—

Mr. and Mrs. Hugh Weinand have established their home at San Mateo.

MAIN TELLS CLUB FACTS CONCERNING GOLD CUP EVENTS

TAHOE CITY — At a recent luncheon-meeting here of the Tahoe City Rotary Club, Fred Main of the Tahoe Boat Company told the members and their 40 visiting Rotarians that the Gold Cup speed boat races, initiated five years ago between Detroit and Seattle, may, in the near future, be a two-way event between Lake Washington and Lake Tahoe.

Main, who had just returned from the classic events held near Seattle a week ago Sunday, gave a vivid description of the races. He had witnessed, and showed pictures of the Slo-Mo-Shun-V in its complete corscrew flop in mid-air which threw Driver Lou Fageol, into the lake. He said Fageol was more seriously injured in this mishap than was reported at the time, and at last report was still hospitalized. Main said the accident occurred during the qualification runs, when Fageol increased his speed to an estimated 175 miles per hour, and the boat became air-borne. Main further stated that because of this accident, racing officials have ruled out all 3¾-mile courses which allow such speeds. Future race courses, he said will be 2½ miles.

Main said that his prediction that the Gold Cup event will some day be between Seattle and Lake Tahoe is based on a conversation he heard at Seattle to the effect that there is now enough high powered boats on the west coast to put on a good show at Lake Washington and Lake Tahoe without going to Detroit.

He said, however, that Seattle is most likely to first win back the perpetual trophy held by Detroit for the last four years. Lee Schoenith, driving Gale V, last won the trophy back for Detroit. The decision was made on points over the Miss Thriftway, a Seattle craft, hampered at the time by the wake of another boat.

Main said spectators of the September 10 Mile High Gold Cup races at Tahoe City have a thrill in store when Miss Thriftway and a new sister ship go on the race course. He said the sister ship, just completed, is now on the way to Tahoe.

President Vernon Bartell presided at this meeting, and Basil Kehoe acted as program chairman.

From where I sit ... *by* Joe Marsh

After-Dinner Speaker Gets His "Deserts"

"Red" Thomas tells about a dinner party he and his Missus went to in Center City last week. He said it was a wonderful party—except for one guest who was a real "know-it-all," right from the start.

Whatever the subject, this fellow considered himself an "expert." Wasn't quiet about it, either. He told different people what automobile to buy, what books to read—even told some who they "just had" to vote for.

When it came time to leave, this fellow must've felt a pang of conscience. He turned to the hostess and said: "I suppose I was a bit outspoken tonight." Quickly she replied, "Of course not. No one could have *out-spoken* you."

From where I sit, it's all right to have opinions as long as you don't try to force them on neighbors. Take those who would deny me an occasional glass of beer simply because they prefer something else. They're welcome to their choice but shouldn't try to force me to be a "party" to it!

Joe Marsh

LAST RITES FOR 'BOB' TAMBLYN HELD TUESDAY

NEVADA CITY—The Nevada City Elks Lodge was in charge of funeral services for Robert L. Tamblyn, 39, Nevada City native and civic leader, in the Bergemann Funeral Chapel at 2 p.m. Tuesday.

Tamblyn died Sunday in the Miners Hospital.

He was a past exalted ruler of the Elks Lodge, past president of the Rotary Club, a Master Mason and a past official of the volunteer fire department.

He was stricken quite suddenly Friday although he had been in some ill health for more than a year with a kidney ailment, known to friends and relatives. He was rushed to the Miners Hospital and given blood emergency transfusions but failed to improve.

Born December 8, 1916, "Bob" Tamblyn was graduated from the Nevada City schools and was considered one of the better athletes of his day. He excelled in all sports. Afterwards he matriculated at Porterville Junior College and was graduated from the Armstrong Business College, Berkeley, in 1937.

He first joined the air force in 1943 and following the World War II was discharged as a second lieutenant in 1945. He reenlisted in 1950 and moved from a first lieutenant to captain before being discharged in May of this year.

Survivors include his wife, Mrs. Ruth Irene Tamblyn; son, Robert David Tamblyn; mother, Mrs. Emily Tamblyn, all of Nevada City; sister, Mrs. Florence Huntley of Loyalton; Mrs. Ervina Shattuck of Truckee; Miss Vivian Tamblyn of Ventura; Mrs. Ruth Hooper of Grass Valley; Mrs. Ruth Spooner of Stockton; brothers, Ben Tamblyn of San Francisco and William Tamblyn of Nevada City.

The family requested that any remembrances be sent to the Elks Lodge Cerebral Palsy Fund.

Lake Chamer Of Commerce Plans For Better Roads

TAHOE CITY—The directors of the Lake Tahoe-Sierra Chamber of Commerce held a special meeting last Friday night in the Stanola Lodge, home of Ralph Stanley at Tahoma.

Among major business matters brought up at this time was the instructing of the chamber's secretary to write a letter to the head of the State Division of Highways in Sacramento concerning the recently proposed new highway in the Emerald Bay vicinity.

The secretary was advised to urgently request, on behalf of the chamber of commerce, the highway commission's further consideration of building a low level road in the bay area, with a bridge to span the narrow neck of water, which construction has been proposed as a number one project at many highway commission meetings through the past several years.

This action by the directors grew out of a discussion of the urgent need for an all-year route to link U. S. Highways 40 and 50, in view of the coming 1960 Olympic games at Squaw Valley.

Discuss Races

An equally important reason for the directors' meeting at this time was the necessary further discussion of the Gold Cup motor boat races to be held here on September 10. Herbert Obexer, chairman of the race committee, reporting on progress of preparation for the regatta, said that on September 3 Chamber President Norman Celio and himself will attend the state fair in Sacramento, and will appear on a television broadcast to give a brief talk about the Gold Cup races.

He said that on this same date that he, with Henry J. Kaiser, J. Philip Murphy and Stanley Dollar, Jr., were invited to attend the Press Club's conference and weekly luncheon, which on this occasion is to be devoted to boating and sports in general. Obexer will probably attend as a special representative of this chamber of commerce, and will give a five-minute talk on the Mile High Gold Cup Regatta for Broadcast.

On Television

President Celio and Chamber Director Fred Schultz are scheduled to appear on a TV program for Placer County, between 2 and 3 o'clock p.m. on September 3. On this program, presented over Station KCCC, Sacramento, President Celio will be introduced, and Shultz will speak briefly on the coming Gold Cup races. This is to be entirely a sports program, and will be devoted to publicity on the Lake Tahoe Gold Cup regatta.

WHAT'S DOING

Charles F. Berlenbach, Jr., Telephone Manager in Truckee

ENDING THE SUMMER SEASON

Well, here it is August 25th and only a few weeks before the Summer Season is officially ended. For those of you who will be leaving the Lake Tahoe area, we in Pacific Telephone would like to state our appreciation and thanks for being such nice customers. For those of you who may have experienced a delay in getting service due to a facility shortage or who were asked to share party lines, we especially appreciate your kind understanding. This Summer we installed approximately 450 more telephones than last year which represents a 10% gain. Realizing that each year the population in this area is growing in leaps and bounds we are taking steps to keep pace with this growth. For example we are currently installing additional cable and central office equipment around Lake Tahoe as well as cable along Highway 40 west of Truckee. Most of these projects are scheduled for completion in December of this year. In the latter part of 1956 Truckee and Tahoe City will be converted to dial thus making this entire area dial operation. These are some of the things that we in Pacific Telephone are doing in order to provide you, our customers, with the best possible service.

We trust that you have enjoyed your Summer vacation and look forward to again serving you next year.

Customer's letter describes thrill of telephone conference call

MRS. CLARA B. WILCOX

"Dear Sirs: Recently my brother arranged a conference telephone call with me and our two sisters. We each live in different parts of the country. The operator let me know about it at noon and said we would all be able to talk to each other at the same time. That night, right on time, it was carried out perfectly. It was as though everyone was right in my kitchen, it was so clear. I do want to thank all who helped make this thrilling experience possible." —*Mrs. Clara B. Wilcox*

We certainly appreciate letters like this, for they tell us we've succeeded again in making the telephone still more useful to you. And that's the most important part of our job. **Pacific Telephone works to make your telephone a bigger value every day.**

* * * * *

Take life easy with extension phones

Can't you picture the convenience of always having a telephone within easy reach? You could relax on the patio or porch, for instance, without having to move to answer a call. And with telephones in the living room, kitchen, and any other room you use a lot, your telephone arrangement for easy living is complete. You save time and countless steps. Cost: Less than a nickel a day for each additional phone. And remember, too—if you're planning to build or remodel—that it's easy and inexpensive to include built-in telephone wiring and outlets in your plans. They'll make your home even more modern and livable. For free advice on built-in wiring, or more facts about extensions, call your telephone business office.

We're slicing a melon with you...

1. You Get A Profit-Sharing Bonus On The Trade-In Deal
—because we've stepped up our allowances to an all-time high.
2. You Get A Bonus In The Buy You Make
—because Buick is the thrill of the year in style, power, performance, value.
3. You Get A Bonus On The Resale
—because a Buick always resells high—brings you more money when you trade it in.

Bonus Beauty in Hardtops

Even the new hit in hardtops—the 4-Door Riviera—is included in our profit-sharing bonus deals today. Shown here is the 236-hp CENTURY 6-Passenger 4-Door Riviera, Model 63. Also available in the low-price SPECIAL Series as Model 43.

WHAT happens when a business has a really great year? A bonus is declared—right?

Well, sir—get set for a windfall, because this is more than Buick's greatest year. This is the *greatest*.

Not only is Buick outselling every car in America except the two most widely known smaller cars—but Buick is breaking every sales record in its history. Right now we're past the mark set in our best *full* year—and we're still going great guns.

So we're slicing a melon with you in the form of an all-out trade-in allowance—a profit-sharing bonus deal that beats even the big trades we've been giving all year. After all, we've gone way beyond our expected volume—and can now afford to stretch our trade-in allowances to practically our break-even point.

And *that* puts you more easily than ever before in the driver's seat of the hottest-selling Buick in history...

The Buick with the boldest, freshest styling of the times—with the snap and ginger of record-high V8 power—with the level buoyancy of the all-coil-spring ride—*and with the electrifying performance of Variable Pitch Dynaflow,* world's first and only transmission using the switch-pitch principle of the modern plane's propeller.*

Better come in and visit us tomorrow—today, if you can—and see for yourself that the thrill and the buy and the deal of the year is Buick, hands down.

**Variable Pitch Dynaflow is the only Dynaflow Buick builds today. It is standard on ROADMASTER, optional at modest extra cost on other Series.*

Thrill of the year is Buick—

Biggest-selling Buick in History! (So we're trading high, wide-and then some!)

Conference Held By Women's Club At Tahoe Resort

HOMEWOOD—The Tahoe City Women's Club was hostess at the meeting of the summer conference of the Tri-County Federated Women's Club, which was held in the lobby of Homewood Resort on Thursday. Mrs. Doris Clark, president of the Tahoe City Club, opened the meeting, which began at 10 in the morning, followed by luncheon served on the veranda, seventy-three members and guests attending. The luncheon consisted of papaias, flown in from Honolulu, filled with fruit and topped with whipped cream and coconut. Also served was hot rolls, coffee and spumoni ice cream.

After the luncheon there was a fashion show. Mrs. Marjorie Broyles wore a black dress 120 years old. Later she wore a party dress of the early twenties. Mrs. Patty Scott wore a replica of the 18th century—Martha Washington, later a handmade white satin and lace wedding gown, belonging to the mother of Mrs. Louise Geier. Mrs. Beccy Shontz wore a black dress of Mrs. Heller's mother over 100 years old, later a dress which was a replica of Martha Washington. Mrs. Martha Snyder wore a white dress 46 years old, later an opera dress of 1900. Miss Pamela Clark wore a girls' party dress. Mrs. Anna Dugdale wore a pink dress 75 years old.

There was community singing, also solos by Mrs. Frances Carlson of Tahoe and Burlingame. She was accompanied on the piano by Mrs. Esther Rich of Bliss Park. Mrs. June Grimstead of Lake Forest announced the coming fashions.

Officers attending were: Mrs. Fred Pedley of Truckee, who presided, Mrs. Paul Webb of Loomis, civic award chairman, Mrs. William Anderson of Auburn, youth conservation and child welfare district chairman. Mrs. E. Glidden of Sheridan, past president of Northern District of Women's Clubs. Mrs. Harry Sternberg, Newcastle, state chairman of gerontology and mental health. Mrs. H. C. Johnson, Marysville, Northern District chairman of amenities. Mrs. W. H. Stokes, Yuba City, chairman of veterans affairs.

New Freight Cars For S.P. Proosed

Plans to acquire 2725 new freight cars—Southern Pacific's second large order within seven weeks—were announced today by D. J. Russell, president of the railroad. The additions will cost more than $23 million.

Box cars, the most popular type freight car, will number 2350, augmenting 950 ordered last July 1, Russell said. The remainder of the new order is 275 70-ton hopper cars and 100 50-ton flatcars for pulpwood.

Russell pointed out the new order raises the number of freight cars acquired or on order by Southern Pacific since World War II to about 47,000, of which some 28,350 are box cars.

The SP shops in Sacramento will build the box cars in the new order of which 1750 will be the 50-ton, 50-foot double-door type. An additional 250 will be equipped with boom-type autoloaders, and 350 will be 50-ton, 50-foot single-door box cars equipped with damage-free loading facilities and SP's new dydra-friction cushion underfromt. This will be the first mass production of the new cushioning device which was developed with assistance of Stanford Research Institute, Russell explained.

For the first time in many years, Russell said, the Englewood Yard in Houston, Texas, on the SP's lines in Texas and Louisiana will produce freight cars in quantity. The yard will make the 100 pulpwood flatcars, beginning in December. The 275 open hopper cars will be purchased.

Deliveries of the new cars in the order announced today are expected to begin this fall and continue through 1956. The Sacramento shops, which already have built approximately 12,000 cars in the last five years, are producing at the recently stepped-up rate of 12 per day.

PAIUTE PAGEANT PYRAMID PLAN

PYRAMID LAKE—The Paiute Pageant at Sutcliffe on the shore of this lake next Sunday afternoon will be the first of such affairs to touch directly on the old wars between Indians and Whites.

After recounting the aboriginal history of the Paiutes the pageant will tell the story of the so-called Paiute war of 1860 which resulted in two battles near the mouth of the Truckee River at Pyramid Lake.

At River Home—
Mr. and Mrs. Eugene Graham and family of Sacramento are enjoying a vacation at their summer home on the Truckee River. The G. E. Grahams of Berkeley have also been enjoying the summer there.

Mrs. McKay Guests—
Mrs. S. P. Cupples and Mrs. Harold Lietz and the latter's daughters, Bonnie and Nancy of Los Angeles have been guests of Mrs. Elizabeth McKay here.

Officer in Hospital—
Highway Patrolman Carroll Maynard, who was recently injured in an automobile accident, returned to Tahoe Forest Hospital on Wednesday for treatment.

Reported Improved—
Mrs. Alvah Hooper was reported to be improved following surgery on Wednesday at Tahoe Forest Hospital.

NEWS NOTES FROM TAHOE

by Ethel Joslin Vernon

The late summer days are with us again, and we know that autumn, with her red and golden leaves, blue haze and sighing winds, must be just around the corner. It seems such a very short time since the wild roses bloomed, but already the goldenrod is fading and the fire-flowers have dropped their petals and gone to seed. In fact it looks like we might have an early fall season.

School Being Readied

Other signs that the summer is growing old are the preparations for the opening of the Tahoe Lake school term. A new flood and foundation has just been completed for the old one-room schoolhouse, which stands just back of the later main building and is used as a nursery school. Mrs. Elaine Wright of this city will again take charge of this department with the opening of the schools on September 6. She will spend half the school week here, and half in the nursery department in Truckee.

Institute Week

Institute week for teachers of all the schools wil open at the Tahoe-Truckee High School on Monday, August 29, with language and arts as main theme in the "workshop." The teachers will continue the session there for the first two days. The latter three days of the school week they will prepare for the opening term in their own schools, under direction of county supervisors.

Teachers Named

Teachers in charge at the Tahoe Lake school during the coming term are as follows: Ruth Roberson, principal, will instruct the 5th and 6th grades, Lillian Farr will teach the 3rd and 4th. Mrs. Solvig Beavers the 1st and 2nd, and Miss Geri Bean will take charge of the kindergarten class, with possibly the overflow from the 1st grade, if it becomes necessary.

Named Custodian

James Martin of this city has been appointed school maintainance manager for the Tahoe Lake school through the coming term. He will make regular visits to the school, and see to all necessary repairs, or replenishing of materials ordinarily furnished by county school authorities.

Picnic Planned

After the close of the institute program here on Saturday the faculty will enjoy an outdoor picnic, and get-together of the teachers from the consolidated school district.

Golf Tourney

On August 27 and 28 the annual late summer golf tournament will be held on the Tahoe City course, with local golfing experts competing with many prominent golfers from all over the state. Prizes are to be awarded to winners in the various classes. The tournament will terminate in a cocktail party and buffet supper on the evening of the 28th, and the prizes will probably be given to the winners at that time.

Rotary Meets

Last Tuesday's luncheon-meeting of the Tahoe City Rotary Club, held as usual at Tahoe Inn, was attended by 34 visiting Rotarians with five of their guests, besides the usual number of local members. Harry E. Engelund of Los Angeles, supervisor of alcoholic beverages, was guest speaker for the occasion. He explained the start of prohibition during World War I, and described the equipment used in processing liquor then, and the improvement made in that line up to the present time. President Vernon Bartell presided over the meeting, and Basil Kehoe acted as program chairman.

Home Sold

During the past week another Tahoe City home changed ownership, when the Charles C. Warner place at the head of Grove street was sold to former forestry officer C. S. (Butch) Beavers of this city. The family expect to move into their new home on September 1. Beavers has lived and worked about Tahoe for the major part of the past 12 years, and says he is glad to become a permanent resident at last. The newly acquired home stands among pleasant forest surroundings and is situated very near the schoolhouse, which makes it an ideal place for the growing Beavers family. Young son, Chris, is already beginning his educational career, and his little sister, Nancy Anne, will not remain very far behind him.

Entertains Parents

In her Tahoe City home this week Mrs. Marion Rustad is entertaining her parents, Mr. and Mrs. H. R. Greatwood of Santa Barbara. Mrs. Rustad is the owner of a home in Ski Canyon as well as the Granlibakken Ski Lodge there. She was a registered school teacher in the past, and has just completed a course which brings her credits up to date once more for teaching. She plans ot leave here, accompanied by her sixth grade daughter, Binth, about September 1, for the Rope Ranch school, a private institution near Santa Barbara, where she will teach the third grade beginning with the fall semester.

Has Operation

On last Wednesday an old-time resident of the Lake Forest community, Mrs. Ward Knapp, was unexpectedly removed to a Reno hospital where she was to undergo serious surgery. The operation took place the following day, and Mr. Knapp, who has visited her regularly, says she is going as well as can be expected, and conditions indicate she may be able to return home within another week.

In Hospital

Another Tahoe citizen undergoing observation in a Reno hospital this week is Mrs. Ruth Droste, local realty dealer. Mrs. Droste left for the hospital last Thursday to take a medical examination.

Returns Home

Joe Henry of this city, who underwent an operation in the U. C. Medical Center in San Francisco a week ago Monday, was able to motor back to his home here on Saturday evening. Joe was in a cheerful frame of mind and feeling very well after the long drive, and was able to eat his full share of the wonderful chicken dinner which waited him upon his arrival here.

The geographic center of the United States is near Lebanon, Smith County, Kansas.

DOVE HUNTERS ASSISTANCE ASKED

Successful dove hunters are asked to aid department of fish and game studies by sending in the outer tip of the right wing to the fish and game laboratory, State Office Building No. 1, Sacramento.

The season opens September 3 for a 30-day run.

From the wing tips sent in by hunters, department biologists can determine age and percentage of this year's birds in the seasonal bag. A good response to the request for aid was reported by the department last year.

Hunters who send in wings are asked to send only the outer tip from the last joint, and give the location and date of kill.

The Panama Pacific Exposition opened in San Francisco February 20, 1915.

Most wood used for pulpwood is peeled in the woods by loggers or at mills using special equipment.

The San Francisco-Oakland Bay Bridge is the world's longest—8¼ miles.

STATE PRAISED BY SAFETY COUNCIL AS ROAD TOLL DROPS

SACRAMENTO (CNS) — The state department of motor vehicles announced today that despite the 3104 traffic deaths in California last year, the state has received praise from the National Safety Council.

The deaths were 267 below the 1953 figure, and 362 less than a three-year average. Death rate per million miles of travel was 6.1 while the national average was 6.4.

The National Safety Council, the department said, singled out the engineering program, enforcement activity, driver licensing techniques ond public education services for special comment.

California received a grade of 97 per cent in engineering competition, which was a first place tie with Michigan.

Enforcement activity was 90 per cent perfect, the department said, while the driver licensing program was 96 per cent of recommended procedures for perfect performance.

Despite the achievements, California paid more than $340,000,000 for highway carelessness, discourtesy, recklessnessand drunken driving and more than 9000 permanently maimed represented highs for the nation.

PROBE OF FAIRS WILL BE MADE AT SACRAMENTO MEET

SACRAMENTO (CNS)—Inquiry into the practices, policies and procedures followed by state and local fairs in awarding service contracts will be held in Sacramento by the Senate Special Committee on governmental administration September 20 and 21.

Senator George Miller, Martinez, chairman of the committee, said witnesses to be called will include John M. Peirce, state director of finance, members of the board of directors of the California State Fair, Los Angeles County air, National Orange Show, Solano County Fair, and district fairs at Monterey, Fresno, Napa, Kern and Yuba-Sutter districts.

The inquiry, said Miller, follows complaints registered with the legislature over "apparent inconsistencies" in awarding contracts to concessionaires at the various fairs.

"We don't know who is right and who may be in error," said Miller, "but we have heard numerous complaints concerning certain transactions. For the benefit of everyone concerned, it occurs to me that a public airing of the procedures followed in awarding these contracts will be helpful."

The first day of the hearing will be devoted to testimony from the various public agencies involved, and on the second day, the committee will hear from any member of the public who may wish to testify.

PLANS PROGRESS ON NEW FAIR GROUNDS AT STATE CAPITOL

SACRAMENTO (CNS) — Plans for California's new state fair grounds, located off the freeway in the vicinity of North Sacramento, apparently are going ahead despite opposition from many quarters.

The state public works board approved the expenditure of $200,000 for preparation of preliminary plans for the new site, which was purchased several years ago, but has remained undeveloped because the legislature refused to appropriate funds for the site.

The 1955 legislature, however, voted $200,000, with the understanding it would be used for plans only, and would not include physical development of the tract.

The new state fair site has been a contentious subject in the legislature for the past three sessions.

The legislative auditor has recommended that the new site be sold and the fair confined to the present site at Stockton Boulevard. The fair at the present site, according to the budget, costs the taxpayers between a half million and a million dollars annually.

Before actual construction on the new site can start, which will cost about $30,000,000 completed, it will be necessary for proponents of the fair to again appear before the legislature for approval of additional funds.

Juan Bautista de Anza established the Presidio of San Francisco in 1776.

Sir Frances Drake landed on the Farallone Islands in 1579 to secure seal meat.

ARE YOU A SUNSCRIBER?

NOTICE TO BIDDERS

Notice is hereby given that sealed bids will be received by the Governing Board of the Tahoe-Truckee Unified School District, Placer and Nevada Counties, California, at the Office of the Superintendent, Truckee, California, on or before, and no later than Friday, September 2, 1955, at 5:00 P.M. for a contract to furnish transportation for school children from Squaw Valley Lodge to Highway No. 89 at its intersection with the Squaw Valley Road in accordance with specifications on file in the office of the Superintendent of Schools.

The Governing Board reserves the right to reject any and all bids, in part or in total, to waive any irregularities, and to be the sole judge of the suitability of the contract offered.

Bidder are required to furnish bond, or certified check in an amount equal to ten (10%) per cent of the total bid.

By order of the Governing Board of the Tahoe-Truckee Unified School District.

White House Latest In Series of Robberies In North Tahoe District

TAHOE CITY—On last Friday morning, sometime after 2 a.m., the White House Cafe at Carnelian Bay was broken into and robbed, making the third such robbery staged in this vicinity within the past week, and only a few miles apart. The other two occured on the previous Sunday night, one at the Lakewood Lodge resort near Homewood, and the other at the Tahoe City Postoffice.

The thieves entered the White House by cutting out the screen on the kitchen screen door, after which they jimmied the hasp lock on the inner door. Gaining entrance to the storeroom in this manner, they robbed the cash box of a stock of $20 bills amounting to a total sum of $670, and left a large amount in silver coins untouched. Investigating officers thought the robbers, traveling light, probably could not afford the chance of being weighted down with heavy coins.

Deputy Sheriff Harry Johanson of this city made immediate investigation, while County Sheriff William Scott came from Auburn on special call to make inspectino. Johanson, who is proceeding with the investigation, stated Sunday that he has found some excellent clues. He said it seemed evident that this latest robbery ties in with the two jobs preceding it.

ANOTHER FIRE HITS CRYSTAL BAY HOME

CRYSTAL BAY—At 9 o'clock Saturday evening another disastrous fire caused several thousand dollars damage in the north end vicinity. A large log house on the Crystal Bay mountain side, about a mile from the site of last week's Kings Beach fire, burned to the ground in spite of the efforts of three fire-fighting crews that were rushed to the scene as soon as the alarm sounded. The very efficient North Tahoe Fire Department was first at the scene, followed closely by Tahoe City's fire truck, and the Tahoe Park forestry equipment.

Tahoe City Fire Chief Al Henry, Jr., who answered the call with his crew, said he believed the burned building had belonged to the management of the Cal-Neva nightclub, and it had been in use as lodgings for some of the club's employes. The cause of the fire was not definitely determined, Henry said, but the Kings Beach department arrived in time to get inside the building with their equipment before the structure collapsed, and it was noted that a fire had been built in the large open fireplace. It was thought that sparks from the fireplace may have started the blaze. The exact value of the building, or whether it was covered by insurance was not learned.

PATRONIZE LOCAL MERCHANTS

Your chamber has another entertainment coming up shortly—in fact September 11th—a special outboard regatta at Donner Lake sponsored by the drivers in the Northern California Outboard Association. This is part of our award for staging such a successful show this past July. Let's all turn out for an afternoon of thrills and excitement at Donner Lake on Sunday, September 11th.

* * *

I was very pleased in the interest shown in our proposed zoning ordinance, by the good turnout at our meeting last week. The committee which I have appointed will journey to Nevada City Tuesday, August 30, to meet with the planning commission and formally present our proposal to that body. The need for protecting and providing for the healthy growth of our area becomes more apparent day by day in anticipation of the events that are coming in the near future.

* * *

I took a delegation to Nevada City Monday to request another deputy sheriff for our end of the county. I am happy to report that the county board of supervisors heard us out, and recognized our need for more police protection. There is still the matter of the budget to contend with, so the obard deferred action until their regular meeting on the first, to see if they can work it in for us. I wish to thank those of you who were good enough to accompany me on this trip. It is regettable that more of our good citizens could not attend this meeting.

—HAL WELCH

GATES OPENED FOR 30TH ANNUAL FAIR IN NEVADA COUNTY

This morning at 10 the gates of the Nevada County District Fair opened at Grass Valley featuring 4112 entries, seven sweepstakes and 65 champions of the area's best in agriculture, flowers, horticulture, home arts, 4-H work, mining, arts and crafts at what has been called, "California's Most Beautiful Fair Grounds."

When the four-day big show began today visitors saw the 30th annual Nevada County District Fair staged in a park-like setting of smooth, green lawns, luxurious shrubs, flowers with a background of tall, cool stately pines.

It will be a good old fashioned fair wth livestock, flower show, minerals, home baked goods, commercial and industrial displays all housed in beautiful new redwood buildings.

Judging will take place this morning at 10 for beef, dairy, floriculture, baked goods, commercial and industrial, paintings and mining.

For entertainment—the opener this evening will be Cal Herman's wrestling card featuring Enrique Torres risking his Pacific Coast championship title with Lord Blears in the arena.

The Hoffman Hay Ride will highlight Friday night's show with Bob and Wanda Kennedy.

Saturday brings both a matinee at 2 p.m. and an evening performance of "Tournament of Thrills," a daredevil car act with "Dutch" Schitzle and Joe Chetwood in a thril a minute.

The Hoosier Hot Shots, the zany cut-up of musical comedy come Sunday at 8. The horse show featuring Nevada, Placer, Yuba and Sierra counties best in horses at 1 p.m. There will be "Tiny the Clown," a band, and the Horseless Carriage Club of Sacramento all here.

BABIES BORN

MEDINA—To Mr. and Mrs. Phillip J. Medina of Truckee, on August 16, 1955, a son, Lawrence Ario Medina, at the Nevada County Hospital, Nevada City, Nevada County.

NIX—At the Jones Memorial Hospital, Grass Valley, Nevada County, August 20, 1955, to Mr. and Mrs. Alvon Nix of Truckee, a son.

From Delano—
Mr. and Mrs. Ray Scott and daughters, Theo and Patricia of Delano stayed at Donner Lake last week, visiting local friends.

Lindsay Visitors—
Mr. and Mrs. Robert Gifford and son and daughter of Lindsay, former local residents, visited here last week.

Valley Visitors—
Mrs. Harold Langille and Mrs. Robert Leamon were Colfax and Grass Valley visitors on Monday. Marcia and Barry Leamon returning from a week spent in the latter town.

SUMMIT LEGION TO BE HOST AT AFFAIR

SODA SPRINGS—"The Highest Post in America"—Harold Eugene Donner Summit Post of the American Legion—is making plans for the annual installation ceremonies on Saturday and Sunday, September 10 and 11.

Chuck Reynolds is chairman of the installation weekend committee and announced that Joe Farber, department commander, and other officials of the American Legion will be on hand to assist in the program.

The affair wil start with installation at 8 p.m., September 10, followed by a complementary dinner. The party will continue Sunday and preparations are being made to provide accommodations for weekend guests.

Frank Tuttle Is Named As Placer Appraiser

AUBURN—Robert C. Kirkwood, state controller, appointed Franklin Tuttle, 38, of Auburn, a state inheritance tax appraiser in and for Placer County, vice H. S. Clegg, resigned.

Tuttle, a fourth generation Placer County attorney, is following in the footsteps of his great grandfather. Charles A. Tuttle, Franklin's great grandfather, opened his law office at Michigan Bar in 1852. Frederick P. Tuttle, the grandfather, practiced in Auburn, as did Raglan Tuttle, Franklin's father.

In Capital—
Mr. and Mrs. Walter Barrett were Sacramento visitors, accompanied home by Kathryn Barrett.

Buy House—
Mr. and Mrs. Erwin Single have bought the Gerardus De Roth house located at Gateway Park. The Single family expects to move to their new home the first of September.

FUND DRIVES WILL START SOON FOR LOCAL BOY SCOUTS

At a meeting held at the Hotel Auburn this week, presided over by Bert Griffith, Tahoe Area Council finance campaign chairman, preliminary plans of the forthcoming Boy Scout drive were set.

Representatives from Lincoln, Roseville, Rocklin comprising the Valley District and representatives from Loomis, Auburn, Foresthill comprising the Foothill District were present at the meeting. Alvin F. Carveth, president of the council, welcomed the representatives of the two districts and key-noted the meeting by stressing the importance of securing the necessary budget of $25,000 needed to provide Scouting throughout Placer County, Nevada County and western Sierra County for 1955-56.

Griffith stated that a similar meeting has already been held in Truckee with representatives from Tahoe City, Kings Beach and Truckee in attendance and that a kick-off breakfast in these communities had already been established to take place September 13 and 14. Lynn Kishbaugh, Truckee, Bill Connors, Tahoe City and Walt Mandeville, Kings Beach will head the community campaigns in those areas. The Gold Quartz District, comprising Grass Valley and Nevade City will have its preliminary planning meeting Thursday of this week for the purpose of setting their kick-off dates.

Entertain at Dinner

Mr. and Mrs. Frank Gaiennie entertained at a dinner party on Wednesday evening in honor of Mrs. Clarence Browne of San Francisco who will leave for her home on Sunday because of jury duty. Guests of the evening included Mr. and Mrs. Gregory Browne and Mr. and Mrs. Robert Edwards.

At Academy—
Sergeant Ed Freeman of the local highway patrol squad, this week is teaching at the patrol academy in Sacramento.

Squad Meeting—
The regular monthly meeting of the Roseville Area squad of the California Highway Patrol was held here yesterday.

Tarzan

by EDGAR RICE BURROUGHS

TARZAN WAS AWARDED A VICTORIOUS CHEER FOR HIS DEFEAT OF SIR ROGER, TRAITOR TO THE KING.

THUS, WITH ALBERT'S THRONE RESTORED, THE RESTLESS APE-MAN BEGGED HIS LEAVE, THE KING ESCORTED HIM TO A SECRET EXIT FROM THE VALLEY AND THEY BID FAREWELL.

TARZAN WARILY TRAVERSED A GLOOMY UNDERGROUND CAVERN, FILLED WITH SERPENTINE DANGERS.

HE RESOLUTELY CONTINUED, HOWEVER, UNTIL HE EMERGED OUT INTO HIS OWN VERDANT AND SUN-FILLED JUNGLE--

DICK VAN BUREN JOHN GALARDO 8-28-1277

BUT HE WAS NOT ALONE! A STARTLED FIGURE WATCHED HIS EVERY MOVE, THAT OF A SAVAGE WHITE WOMAN!

FRIGHTENED BY THE JUNGLE LORD'S SUDDEN APPEARANCE, THE WILD GIRL FLED--UNAWARE THAT SHE IN TURN WAS NOW BEING WATCHED BY A MONSTROUS GORILLA!
